

DoubleSight Displays		DS-424STA Quad Monitor Flex Stand																																												
Product Description		Dual Monitor Flex Stand, for up to 24" Monitors																																												
Model		DS-424STA																																												
Product Highlights		<p>The unique Flex Design of the DS-424STA makes this the best Quad Monitor Mounting Solution for your large screen LCD Monitors. DoubleSight's Flex Design offers the user complete flexibility when adjusting their monitors on the desktop. Each Monitor adjusts independently of the other Monitor for Tilt, Swivel and Pivot for a truly custom view. Height can be adjusted up or Down 3" and users can also move monitors forward or backward on the stand for a better ergonomic fit. DoubleSight Flex Stands ship preassembled and feature VESA mounting brackets to guarantee compatibility with most LCD monitors. Flex Stands are easily expanded as your viewing needs change.</p>
